Hello World

This is a sample adoc file.

Actually, it is a Go template, with some placeholders like:

- {{.artifacts.com_github_opendevstack_ods_pipeline_go_foo.result.foo}}
- {{.artifacts.com_github_opendevstack_ods_pipeline_go_foo.result.bar}}
- {{.artifacts.com_github_opendevstack_ods_pipeline_go_bar.result.foo}}

Even nested things work:

Hello {{.artifacts.com_github_opendevstack_ods_pipeline_go_foo.other.hello.msg}}!
